Dear Parents/Carers,

RE: BBQ Trailer Volunteering

Your son/daughter has expressed interest in volunteering to support the BBQ Trailer on a Friday from 12pm - 1.15pm. The Trailer is a community based project which our College operates every Friday at the Hub in Spring St, South Grafton.

It aims to support our Mercy Values and Catholic Social Teaching to provide hospitality to the poor and those who are in need of support. The BBQ Trailer is sponsored by donations from parents, St Vincent de Paul, Hank's Kitchen, Southside Butchery and Farmer Lou's who contribute to the success of this initiative every week.

Your child would be driven by the teacher in charge that week to and from the Hub. They need to nominate on the roster shared with them the date they wish to attend. Your child will miss their timetabled Period 4 class on that day.

If you are happy for your child to support this community service project, please complete the permission slip below and return to Mrs Warby.

If you would like to support this initiative in any way yourself, please do not hesitate to contact me.

Thanking you

Kathy Warby
Assistant Principal Mission

BBQ Trailer Volunteering

I give permission for my son/daughter _____ to participate in the Community Service Project of the BBQ Trailer. I am aware they will be driven to and from the Hub at South Grafton by the teacher in charge.
